**Warning:** This product is made from latex which can cause allergic reactions in some individuals.

## Standard

*Note: Skin Shield™ is available for skin protection and increased gripping.*

### STANDARD GRIPPING SYSTEM

AlphaDry use the natural gripping action of latex for the condom.

## Option

### OPTIONAL GEL STRIP

Applying the sticky Gel Strip behind head of the penis provides additional gripping power — and does not leave residue.

### STANDARD SECURING

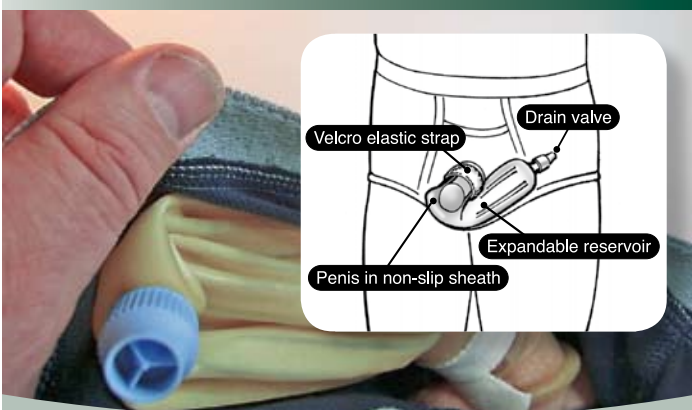

Velcro® elastic strap secures the AlphaDry, and can be reused several times.

### OPTIONAL COBAN SECURING

The elastic 3M Coban™ self adherent wrap functions like tape but only sticks to itself.

## Standard

### STANDARD PLACEMENT

AlphaDry is placed somewhat horizontally inside the briefs.

## Option

Under Armour®  
 Boxerjock®

Better Pant™  
 Undergarment  
 with leg pouch

### OPTIONAL PLACEMENT

The AlphaDry hangs straight down in snug, longer leg, boxer-style briefs.

### STANDARD TWIST VALVE

The blue Twist Valve makes for quick and easy emptying.

### OPTIONAL FLIP VALVE

Use the Flip Valve for the larger 2,000 ml reservoir, or for those who have trouble with manual dexterity.

### STANDARD RESERVOIR

The standard AlphaDry expands to 600 ml, and fits conveniently inside briefs.

### OPTIONAL LARGER RESERVOIR

For night time or wheelchair use, the 2,000 ml reservoir connects to the standard AlphaDry.
